

ART CLUB

2009

Art Club is an exciting program that started at Killarney Heights High School in February 2000. Art Club is a school funded program and is designed for students to create their own works and works for their school environment. Over the past few years students have created spectacular murals, organic sculptures, ceramics, landscape design, worked on individual projects, made jewellery and some students have worked in the medium of photography.

Students are free to work in any medium they choose and will be guided by Visual Arts teacher Kim Morrison. All materials will be supplied by the visual arts department. Student's works are displayed throughout the school for fellow students to view and they will then be taken home for friends and family to enjoy. Art Club works are also included in our annual Showcase held at the end of each year.

Art Club will take place on Thursday lunchtimes and is open for students from years 7 - 12 to join.

Students will be supervised by Visual Arts teacher Kim Morrison for the full duration of Art Club.

Art Club is a school funded program and therefore no fee applies to students.

The commencement date of Art Club in 2009 will be Thursday lunchtime Week 2, Term 1.

If you are interested in joining Art Club please complete the permission slip on the reverse side of this information sheet and return it to
